Objet : Thank you.

Good day, dear people.

The people on board the Capewater would like to thank you for the baguettes and croissants we were given alongside ATO 1.

It's heartwarming that people also think about us, and in these days it's difficult to visit the seamen's clubs.

The work the people do is very much appreciated.

We hope that when things go back to "normal" we can visit / see each other again.

Untill that time, stay safe and healthy.

Also for all the families and loved ones. God bless you.

Regards,
Captain MT "CAPEWATER"
